EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Laura Moskowitz on 03 November 2005.

The application has been amended as follows:

- a.) In line 10 of the abstract, replace the "o" with "of".
- a.) Change the word "timeaverage" to "time-average" in line 3 of claim 12.
- b.) Change the word "timeaverage" to "time-average" in line 5 of claim 12.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The instant application discloses a communication method and transmitter comprising average power level calculation circuitry. A search of prior art has failed to disclose a transmitter comprising: "conversion circuitry for scaling said digital amplitude signal according to a first scale factor, converting the scaled digital amplitude signal for transmission to an analog amplitude signal, and scaling the analog amplitude signal according to a second scale factor; and control circuitry for complementarily varying said first and second scale factors according to said time-average power as disclosed in claims 1 and 7. The prior art also fails to disclose a communications method comprising the steps of: "b) scaling said digital amplitude signal according to said time-average power; c) converting the scaled digital amplitude signal to an analog amplitude signal; d) scaling the analog amplitude signal according to said time-average power complementarily to the step (b); and e) transmitting the scaled analog amplitude signal" as disclosed in claims 12 and 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
